SERIES SPECIFICATIONS

CAT 5E U/UTP 350MHz Plenum Rated CMP Cable, 1000 FT Pull Box
  RPP Data Cable meets all TIA/EIA standards
  Solid copper conductors and differential twisted pairs help to reduce crosstalk
  Available in a variety of colors to easily color-code your network installation
  Suitable for up to 350MHz high speed data applications
  Plenum cable has a fire-retardant jacket to withstand higher temperatures and reduce smoke emissions

UL LISTED

CONSTRUCTION

Color	Data Rate	Temperature Rating
Blue	350MHz	From -20°C to 75°C maximum
Conductor Material	Shield Coverage	Shield Material
Copper	N/A	Unshielded
Jacket Flame Rate	Jacket Type	
CMP	LSFRPVC	

ELECTRICAL SPECIFICATIONS

AWG	Conductors	Jacket Nom. Diameter
24	8	N/A
Jacket Nom. Thickness	Wire Construction	Conductor Construction
	Unshielded Twisted Pair (UTP)	N/A
Resistance
