SERIES SPECIFICATIONS

CAT 5E U/UTP 350MHz Solid Riser CMR Cable, 1000 FT Pull Box
RPP Data Cable meets all TIA/EIA standards
Solid copper conductors and differential twisted pairs help to reduce crosstalk
Available in a variety of colors to easily color-code your network installation
Suitable for up to 350MHz high speed data applications

CONSTRUCTION

| | | |
|------------------------------|------------------------|--|
| Color Blue | Data Rate 350MHz | Temperature Rating From -40°C to 75°C |
| Conductor Material Copper | Shield Coverage N/A | Shield Material Unshielded |
| Jacket Flame Rate CMR | Jacket Type FR/PVC | |

ELECTRICAL SPECIFICATIONS

| | | |
|---|--|---|
| AWG 24 | Conductors 8 | Jacket Nom. Diameter 5.2mm +/- 0.2mm |
| Jacket Nom. Thickness 0.52mm +/- 0.2mm | Wire Construction Unshielded Twisted Pair (UTP) | Conductor Construction N/A |
| Resistance N/A | | |
